Frequently Asked Questions —

Does my branch really have to do this application process by itself? We have never done this before.

Your NLAPW Membership Committee stands ready to help you. If you have a question about the process, please email the Membership Development Chair, Bev Goldie, bgtproductions2010@gmail.com

Or, if your question is about the credentials, please email the Credentials Officer listed on your application.

I show my artwork in galleries and do not enter juried shows, will I qualify for membership?

Yes, since your work is in galleries and if you provide proof of payment for sales.

What is the difference between a juried and judged art show?

A juried show has selected your work from a pool of applicants for a show. A judged show is open to anyone, and judged with awards.

If I have sold three pieces of artwork, does this qualify me?

Partially. If all three works were in a juried show then yes. Your evidence of work in three juried shows is still necessary. Evidence would be a program with your name in it, (showing "Juried Show" somehow), or an art calendar with a copy of the jurying process and your work in it, a poster or magazine article showing your work in a juried exhibition.
