Dear Virginia, Wanda and May-Mei:

Delayed but sincere thanks for your expert help in securing Yucca Branch a new copy of its Charter. It arrived in early September and is now safely in the hands of our Recording Secretary.

We are aware of the time and effort of many people required to make this happen. From late July to early September, the problem was researched and solutions were sought. Along the way we at Yucca are learning that the La Vida Branch merged with Yucca in 1987, and our original Branch number, issued in 1952, was #169. All of this helps us appreciate the history of our branch and the support we receive from our national organization.

With genuine gratitude from all Yucca Chapter membership.

Sincerely,

Lyla Garcia
